The petition to correct the patent term adjustment indicated on the above-identified patent to indicate that the term of the above-identified patent is extended or adjusted by five hundred twenty-four (524) days is **GRANTED to the extent indicated herein**.

As the period from the filing date of the request for continued examination (RCE) to the issue date of the patent is not included in the "B" delay period, the over three year period begins on February 25, 2007 and ends on April 7, 2008, the day before the RCE was filed, and is 136 (not 137) days.
